## IT Continuity & Disaster Recovery Planning Onsite Training

Today's businesses rely heavily on a robust and resilient information technology (IT) and telecommunication infrastructure to deliver essential business services in order to meet company mission, objectives, and key targets. This dependence on information technology stems from several requirements and demands including:

**Our objective is to train and certify you to build not just any business continuity and resilience plan but one that is mature, valid and reliable for your company.** Today's internet-centric 24 x 7 continuous transaction processing applications; Remote office workers' telecommuting demands; Just-in-time product and service delivery burdens from partners, vendors, suppliers, and customers; Availability of IT services due to regulatory compliance (Sarbanes-Oxley, Basel II); and New market opportunities and product launches. [learn more](#)

**Potential Training Dates** (suggest your dates) 1. \_\_\_\_\_ 2. \_\_\_\_\_ 3. \_\_\_\_\_

The training will consist of the 2-day CBRITP Seminar: IT Continuity & Disaster Recovery Planning Seminar. The actual date of the training is to be mutually agreed upon between Sentryx and you. Students may choose to write the optional CBRITP examination on the last day as this is not mandatory. Class will commence at 8:30 AM and end at approximately 4:00 PM. There will be a one hour lunch break and two 10 minute breaks.

**Requirements** - Our instructor will have a laptop and projector.

The training room will require, A standard training room with sufficient seating, chairs, and desks. The preferred seating arrangement is in classroom configuration. There is no requirement for computers or laptops. A screen for the projector. A white board or flip chart is also required. A backup projector is also recommended as projectors do fail from time to time. Cost of Instructor's travel, food and accommodation will be provided by purchaser.

**Payment Terms** - For on-site training courses payments are due on receipt of pro-forma invoice. Please request pro-forma invoice from us.

**Cancellation Policy** - If under any circumstances, a cancellation or transfer of the on-site training engagement is required, the following conditions will apply.

Sentryx will allow cancellation of a scheduled on-site training session as long as a written cancellation notice is:

Received no later than 90 days prior to the scheduled start date – no fees will be charged.

Received between 15 and 29 days prior to the scheduled start date – 50% of the fee will be charged.

Received 1 and 14 days prior or on scheduled start date – full course fee will be charged.

## Instructions to fill out this form
